Service contract for manufacture of branded goods

Rosa Luxemburg Stiftung seeks to establish a service agreement with a manufacturer of promotional goods.

The service agreement to run for a period of two years and shall include the production of tote/carrier bags, PPE masks, produced to order.

Interested service providers to kindly provide a quote based on the specifications below:

500 carrier bags

- Dimensions: 36cm width x 40cm length, not including seams.
- Handle to be sewn in inside the bag on the sides, and should be 4.5cm wide x 94cm length. Kindly refer to Annex A for photographs of a sample.
- Front of carrier to be printed with single colour artwork, A4-size.
- Produced using durable + environmentally sustainable fabric (e.g. bulldemin or canvas) which is produced with fair trade practices.

Kindly advise if clarification on any of the above is required. Interested service providers are requested to kindly provide a quote and include photos of comparable examples, to the email address below, by October 11, 2021.
